## ***“Diamond Cubik” - A Unit of CBKS***

***Chandra Bhan Khazan Singh*** is not just a name, but a certitude for over 50 years. The sagacity of Mahavir Goel evolved the company from a fertilizer firm to an integrated player across education, automobile, retail, consumer durables, finance & jewelry.

Gems and Jewels have long ignited the passion of men and women. And with Jewelry designed by “Diamond Cubik” desire knows no bounds.

Both pioneers and rooted in tradition, Husband-Wife duo **Aanchal & Abhishek Goel**, initiated the enterprise in a small room and in a jiff carved a niche for themselves in the bijouterie world.

<sup>Diamond</sup>**CUBIK** vision is to expand the eponymous label in the dazzling world of exquisite jewelry and continue to innovate and strive for new benchmarks in the Quality, Creativity, Design and Customer Satisfaction.
